

BKRS WALKABLE CABLE TRAY

Designed to be Walked On.

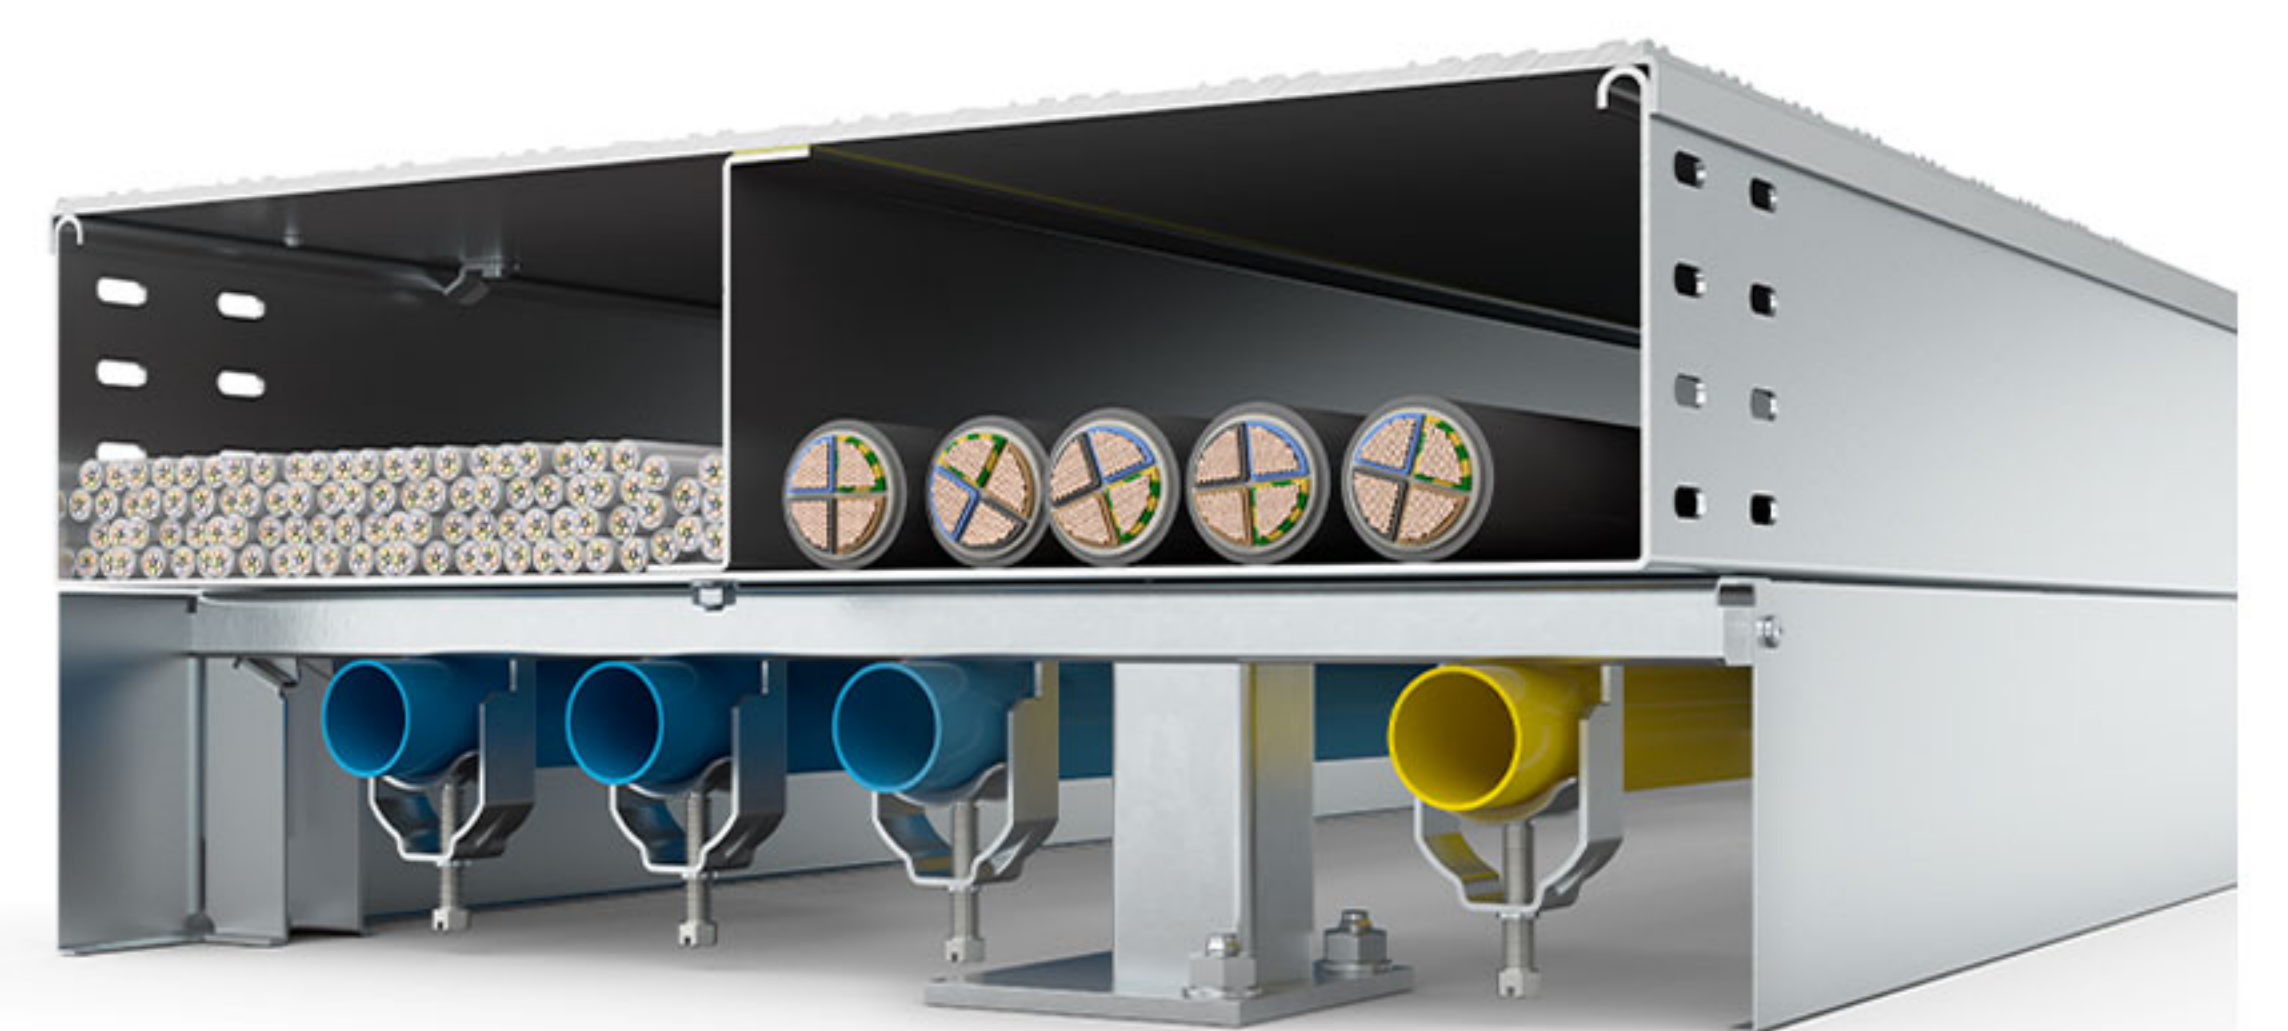

Chalfant's BKRS Walkable Tray is tough enough to be walked on... and gives the best protection to industrial power and data cables.

- 4" side height
- 2" - 24" widths
- 10' lengths

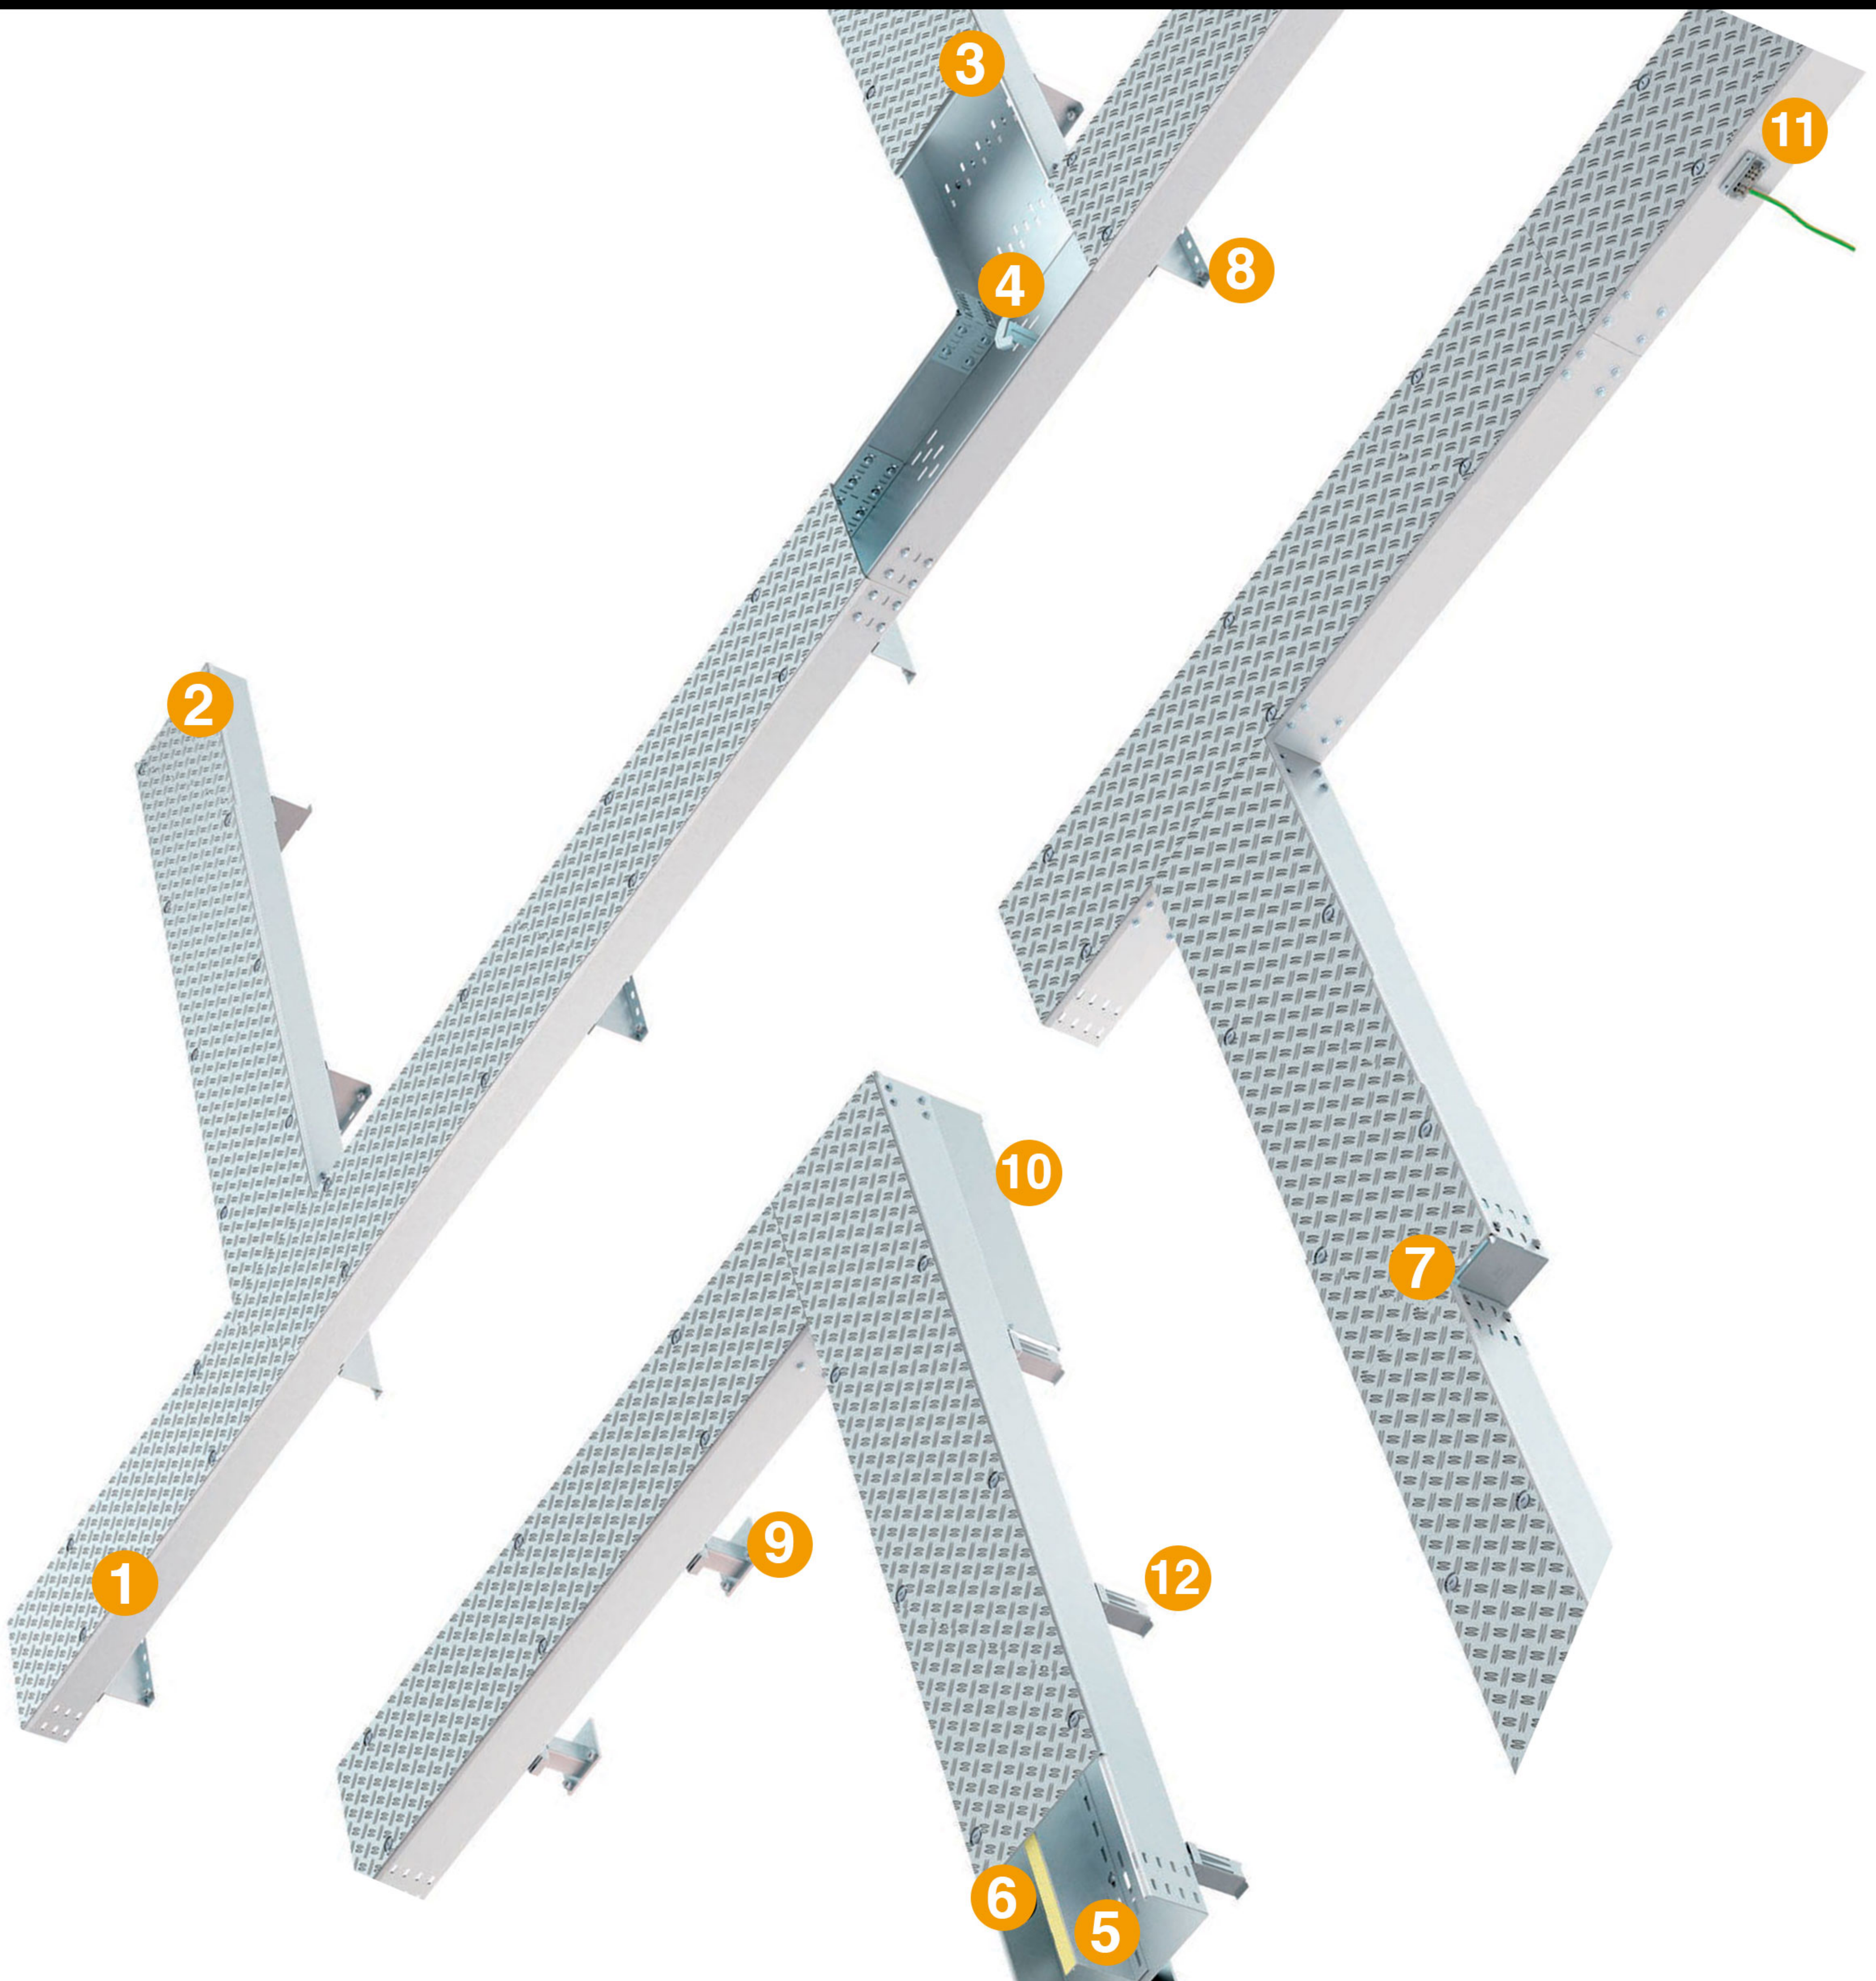

With a diamond-plated surface to optimize slip resistance, the BKRS Walkable Tray ensures your cables get the best defense from:

- Dust
- Extremely heavy loads
- Stamping
- Walking
- Accidents
- Other workplace incidents

Made from 12-gauge steel, BKRS guarantees a traffic load up to 2,023 lbs, depending on installation. BKRS Walkable Tray comes in a Strip Galvanized finish. Ideal for placement around machinery or in robotic welding cells.
