

# GR-MAGIC® CABLE TRAY

## Set. Snap. Done!

GR-Magic® Wire Mesh Tray is the easiest and fastest wire mesh solution on the market. Its patented snap-together connection ensures the shortest possible installation time, helping contractors save time

- 1", 2", and 4" side heights
- 2" - 24" widths

GR-Magic® mesh cable tray requires virtually no connection hardware and is easily field-modified with a full line of covers, accessories, and fittings.

Chalfant offers multiple finishes suitable for use in a variety of applications.

- **Electroplated GR-Magic®** is ideal for indoor applications, or where visual appeal is required.
- **Stainless Steel GR-Magic®** is ideal for use in aggressive environments as well as the food and beverage industry. It is available in .304SS and .316SS.
- **Hot-Dip Galvanized GR-Magic®** is the perfect choice for any outdoor installation.
